Objective

Passionate and patient early childhood educator with strong experience in facilitating engaging and educational activities for children aged 4–6. Dedicated to fostering a supportive and creative environment that promotes learning and development.

Education

Bachelor of Child Education – Petra University, Amman, Jordan (2014–2018).

Diploma of American Montessori – Sensorial Life Academy (2024).

Diploma in Nursing – H. Manaseer Training and Consulting Center (2021–2022).

Experience

Early Childhood Educational Facilitator – The Children's Museum, Amman (Present)

- Facilitate interactive and educational experiences for young children.
- Design and implement activities aligned with early childhood development.
- Support learning through play and hands-on discovery.

KG1 Homeroom Teacher – Areej Al-Yasmeen Kindergarten, Amman (2018–2020)

- Designed and delivered engaging lesson plans in math, reading, art, and science.
- Monitored student progress and communicated with parents.
- Managed classroom behavior and maintained a positive learning environment.

Internship – KG1 Homeroom Teacher – Universal Schools, Amman (2018)

- Assisted in preparing class materials and supporting students during activities.

- Gained experience in classroom management and early childhood development.

Skills

- Patience and flexibility.
- Communication and teamwork.
- Planning and classroom management.
- Microsoft Office.
- Lesson planning and child assessment.
- Interactive learning tools (e.g. educational games, storytelling aids).
- Creative activity design.

Languages

- Arabic: Native.
- English: Good (spoken and written).

Volunteering

- Member at Nahno Platform.
- Member at Basamat Shababeh Society.
